WHEREAS, Cedar Creek Village, Inc. has caused a map to be made of Cedar Creek Village which shows the original property as well as additional property, said map being made by C. B. Berry, R.L.S. dated July 15, 1974, recorded in Plat Book 57 at Page 126, Office of the Clerk of Court, Horry County, South Carolina, and

WHEREAS, the Owners wish to accomplish the following objectives for the benefit of owners of lots in the Subdivision by the imposition of the restrictive covenants and easements set forth herein;

- (a) To maintain the residential character and integrity of the Subdivision;
- (b) To preserve the quality of the natural amenities of the Subdivision;
- (c) To minimize or eliminate the possibility of any disruptions of the peace and tranquillity of the residential family environment of the Subdivision;
- (d) To prevent the abuse or alteration of the trees, streams and natural character of the land in the Subdivision,
- (e) To create and encourage a natural rustic character for the homes and real property in the Subdivision;
- (f) To prevent any lot owner or any other persons from building or carrying on any other activity in the Subdivision to the detriment of any owners of lots in the Subdivision, and
- (g) To keep property values in the Subdivision high, stable and in a state of reasonable appreciation; and

WHEREAS, Owners desire to impose certain restrictions on the numbered lots in Blocks A,B, C, D and E, which are to be deemed covenants running with the land for the benefit of Owners and all purchasers of lots in said Subdivision,

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, that the present owners in Cedar Creek Village, hereinafter referred to as Owners, do hereby impose the following restrictions on said property and agree to be fully bound thereby:

1. A committee shall be established, hereinafter referred to as Committee, consisting of one representative from each of the five (5) blocks of the Subdivision as shown on the aforementioned plats.

100

These representatives shall be chosen the first year by general election at a meeting of Owners. Thereafter, a meeting of Owners shall be held every two (2) years for the purpose of electing a new Committee. The current Committee shall present nominations and shall open the floor for additional nominations, and elections shall be determined by vote of a majority of Owners present. Each Committee shall serve a term of two (2) years. The duties of the Committee shall be to manage the affairs of the Subdivision and to enforce the Restrictive Covenants set forth herein.

2. "Common areas", as hereinafter used in these Restrictive Covenants, shall be defined as any property within the boundaries of Cedar Creek Village not owned by any individual. More specifically this includes, but is not limited to, the streets, the right of way of the streets, the waterfall area, the boat ramp, and the grassy areas between the streets.

3. A general assessment (dues) shall be levied by Owners annually, and shall be used exclusively to maintain, improve, and operate the common areas of the Subdivision and to pay any legitimate costs incurred by the Subdivision in the necessary conduct of its business. The amount of such annual assessment shall be one hundred dollars (\$100.00) per lot on which a home has been built and fifty dollars (\$50.00) per lot on which a home has not been built. The amount of this annual assessment shall not be changed except by a vote of a majority of the Owners in the Subdivision. The Committee shall be responsible for handling all monies collected from the general assessment (dues), and shall be restricted to spending only monies collected to date.

4. The above-described annual assessment, together with costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made; each such assessment, together with costs of collection thereof, shall also be the personal obligation of the person or persons who was the owner or owners of such property at the time when the assessment fell due and shall constitute a lien upon the property when they are due and payable. Under no circumstances will any lot owner be assessed any fees or dues not specifically mentioned herein. The lien may be foreclosed in the same manner as provided for the foreclosure of mortgages.

5. The annual assessment provided for herein shall be due and payable on January 1 of each year.

6. No building or residence, including outbuildings, porches or projections of any kind, shall be erected so as to extend over or across any of the building lines relating to the lot of land.

Subject to the right of modification set out below, the following building lines are applicable: a setback of forty (40) feet from the front of the lot; fifteen (15) feet from the side lines; and twelve and one-half (12 1/2) feet from the rear line, except that on lots bordering the Intracoastal Waterway the rear setback line shall be forty (40) feet.

Utility lines may be laid or erected and maintained along a twelve and one-half (12 1/2) foot setback, and the owner's use of that area of the lot shall be subordinate to use of same for utility purposes.

7. No further subdivision of existing restricted lots will be permitted; provided, however, that nothing herein contained shall prevent the combination of two or more lots for a single building site.

8. This property shall be used for single-family residential purposes only, and no more than one residential building, together with necessary, appropriate, and architecturally compatible storage building or guest house, shall be erected on any lot or building plot as shown on the recorded map. Any such buildings or additions shall be approved by the Committee prior to construction.

9. No residential dwelling shall be constructed on any lot which has a floor area of the main structure devoted to living purposes (exclusive of roofed or unroofed porches, terraces, garages and carports) of less than 1,850 heated square feet.

10. No temporary house, trailer, tent, garage or other outbuilding shall be placed, erected or permitted to remain on any lot, except for such temporary structures as may be necessary for the storage of materials during the construction of a residence on such lot, which temporary structure shall at no time be used as a dwelling place.

11. Once construction of improvements is started on any lot, the improvements must be substantially completed within nine (9) months from commencement.

12. All structures constructed or placed on any lot shall be built of new materials, but nothing herein shall mean restored materials may not be used, and no used structures shall be relocated or placed on any such lot.

13. No animals or livestock of any description, except the usual household pets, shall be kept on any lot. No pet shall be allowed which shall produce any noise or odor objectionable to any other lot owner.

14. Chain link fences shall be allowed in back yards only and shall be obscured from view from the front of the lot by shrubs or a fence constructed of materials compatible with the appearance of the house on the lot. All other fences in the Subdivision shall be constructed of materials compatible with the appearance of the house on the lot on which the fence is located.

15. No stripped, partially wrecked, or junk motor vehicle, or part thereof, shall be permitted to be parked or kept on any street or lot.

16. Every fuel storage tank shall be screened by fencing or shrubbery so as not to be visible from any street or common area. Every outdoor receptacle for ashes, trash, rubbish or garbage shall be placed in such a manner so as not to be visible from any street or common area.

17. All satellite dishes, outdoor clothes poles, clothes lines and similar equipment shall be prohibited.

18. All improved lots shall be well-maintained at all times. Unimproved lots shall be allowed to stay in a natural state. No accumulation of rubbish or debris shall be permitted on any lot.

19. No noxious, offensive or illegal activities shall be carried on on any lot nor shall anything be done on any lot that shall be or become an unreasonable annoyance or nuisance to the neighborhood, including, but not limited to, loud music, outside speakers and constantly barking dogs.

20. The boat ramp, as shown on Tax Map No. 131-5, located between Block 6, Lot 9, and Block 2, Lot 16, is intended for the use of Owners and their guests only.

21. No commercial truck larger than one (1) ton shall be parked overnight or longer on any lot or street in such a manner as to be visible to the occupants of other lots or the users of any street or common area.

22. All boats, trailers, and pens for household pets shall be placed in back yards only.

23. Each lot owner shall provide space for parking two (2) automobiles off the street prior to the occupancy of any dwelling constructed on said lot.

24. No boat, motor home, travel trailer or other vehicle may be parked on a street for more than three (3) consecutive days. Parking of cars on any street in the Subdivision on a regular basis shall not be allowed. Parking of any vehicles in the waterfall area or the grassy area between the streets shall not be allowed at any time.

25. Any dwelling or outbuilding on any lot which may be destroyed in whole or in part by fire, windstorm or by any other cause or act of God must be rebuilt or all debris removed and the lot restored to a natural condition with reasonable promptness, provided, however, that in no event shall such debris remain longer than six (6) months.

26. No trash, ashes, garbage or other refuse shall be dumped, stored, accumulated or permitted to remain on any lot for a period of more than fifteen (15) days.

27. No motorized all-terrain vehicles, go-carts, scooters, or other unlicensed motorized vehicles shall be allowed on the streets or common areas of the Subdivision.

28. The shooting of fireworks of any kind shall be prohibited in the Subdivision.

29. Littering of the streets or common areas of the Subdivision shall not be allowed.

30. No garage on any residence or outbuilding in the Subdivision shall be constructed in such a manner as to face the front of the lot on which it is constructed.

31. Only owners of a lot in Block E of the Subdivision, for himself, his family and house guests, have the privilege, appurtenant to his ownership of such property, of fishing, boating, and swimming in the lake on which the lots in Block E adjoin, and shall enjoy access thereto by means of the twenty (20') foot alleyway shown between lots 1 and 2 of said block, in addition to the access available by reason of each lot bordering said lake. The uses above stated also apply to the island shown in or near the center of the lake on said map. All persons using said lake do so at their own risk. Neither Owners, nor any lot owner, shall be responsible for any person or persons injured while using the lake.

With respect to owners of a lot in Block E and the lake on which the lots in Block E adjoin, the following provisions shall apply:

(a) No refuse shall be deposited in the lake nor shall any water containing detergents, pesticides or other polluting agents be discharged therein.

(b) Pumping of water from the lake for purposes of watering lawns or any other purpose shall not be allowed when the water level in the lake is below the designated level.

(c) No motorized watercraft of any kind, including, but not limited to, boats and jet skis shall be allowed in the lake.

(d) The ducks that live in and around the lake are for the enjoyment of the lot owners in Block E, and no one shall harm, or cause to be harmed, or move, or cause to be moved, the aforementioned ducks.

(e) Failure to comply with the foregoing regulations regarding use of the lake will result in reporting to the appropriate authorities.

(f) Each purchaser, his heirs or assigns, of any lot in said Block E, by acceptance of the deed, agrees to assist in maintenance of the lake by paying a reasonable assessment against the lot so conveyed not to exceed fifteen dollars (\$15.00) per annum. Any such assessment shall be paid to an owner in Block E designated by the owners in Block E to handle funds from such assessment, and such assessment shall be used solely for the purpose of maintenance of the lake. Any lot owner who fails to pay any assessment shall pay all costs of collection thereof, including a reasonable attorney's fee.

(g) The aforesaid rights granted to purchasers of lots in Block E are not personal, but are incident to the ownership of property in said block, and transfer of title will carry with it all of any such rights.

32. Any lot owner or owners renting their property shall be responsible for delivering a copy of these Restrictive Covenants to such persons as may rent their property, and such renters shall be expected to abide by the terms of these Restrictive Covenants.

33. Every one of these Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions and of and from every combination of the Restrictions. Therefore, if any of these Restrictions shall be held to be invalid or to be unenforceable or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability, or "running" quality of any other one of these Restrictions.

34. These Restrictive Covenants shall run with the land and shall be binding upon all owners of lots in the Subdivision and all persons claiming them until August 16, 2003. Said Restrictive Covenants shall be automatically extended thereafter for successive periods of ten (10) years each, unless by a vote of the majority of the owners of lots at the time of such vote it is agreed to change said covenants in whole or in part.

35. The provisions contained herein may be amended at any time by a written vote of the owners of a majority of the lots in the Subdivision, and such amendment shall be duly filed of record in the Office of the Clerk of Court for Horry County.

36. If any person shall violate or attempt to violate any of the Restrictive Covenants herein, it shall be lawful for the Committee, or any other person or persons owning any lot or lots in said Subdivision, to prosecute any proceedings at law or equity against the person or persons violating or attempting to violate these Restrictive Covenants and either to prevent him or them from so doing or to recover damages or other dues for such violations. The offending owner or owners shall pay all attorneys' fees incurred in such an action.

37. Any improvement, construction or other alteration of any lot which would violate any provision of these Restrictive Covenants which exists at the date of its recording shall not be deemed to be in violation hereof. No subsequent violation, however, shall be allowed on any lot.

38. If these Restrictive Covenants are deemed invalid by a Court, then the initial Restrictive Covenants shall remain intact.

IN WITNESS WHEREOF, this instrument has been executed by a majority of the lot owners of Cedar Creek Village, pursuant to Item Number 12 of the Declaration of Restrictions for Cedar Creek Village, dated August 16, 1973, and recorded in Book 497, Page 736, Office of the Clerk of Court in Horry County, South Carolina, this 23rd day of April, 1993.
